### WALLACE ENGINEERING NAMES TWO NEW PRINCIPALS

**(Oklahoma City, Oklahoma)** -- Wallace Engineering is pleased to announce two new principals, Kevin Bahner and David Zuk to their firm.

Kevin Bahner, P.E. has been with Wallace Engineering for eleven years. He received his Bachelor of Science in Engineering with the Engineer/Pre-Architecture Option from the University of Oklahoma and is a licensed professional engineer in Oklahoma and Texas. Kevin's project experience includes educational, commercial, retail and hospitality facilities.

David Zuk, P.E. has been with Wallace Engineering for twelve years. He received his Bachelor of Science in Civil Engineering degree from the University of Texas-Arlington and is a licensed professional engineer in Oklahoma and Texas. David has served as the project engineers for a variety of building types including commercial, retail, educational, sports/recreation, and maintenance facilities.

###

### **About Wallace Engineering**

Founded in 1981, Wallace Engineering is ranked as one of the top structural engineering firms in the United States. Based in Tulsa, Oklahoma, the firm has grown to include additional offices in Kansas City, Missouri, Oklahoma City, Oklahoma and Castle Rock, Colorado. Our staff of seventeen principals and over one hundred thirty people represent personnel registered as Professional Engineers in all 50 states, Puerto Rico, District of Columbia, U.S. Virgin Islands, and British Columbia, Canada.
