Wallace Engineering-Oklahoma City Announces New Leader of Civil Engineering Group

OKLAHOMA CITY, Oklahoma -- Wallace Engineering is pleased to announce Doug Fredeen, P.E., has joined our firm to lead our Oklahoma City civil engineering group.

Doug received his Bachelor of Science in Civil Engineering degree from the University of Arkansas and has over twenty-three years of civil engineering experience with projects across the United States. Before joining Wallace Engineering, Doug worked as Senior Store Design Manager at Wal-Mart Stores, Inc., as President and CEO of The Fredeen Group, Inc., and President and CEO of CEI Engineering. His professional achievements include Past Chairman of the Rogers Planning Commission, Graduate of the Inaugural Leadership Class of Bentonville/Bella Vista Chamber of Commerce, and Executive Board Member of the Bentonville/Bella Vista Chamber of Commerce. Doug is currently licensed as a Professional Engineer in twelve states.
