WALLACE ENGINEERING ANNOUNCES NEW ASSOCIATE

(Kansas City, Missouri) -- Wallace Engineering is pleased to announce Darcey Rapp, P.E. as a new associate at our firm. Ms. Rapp has been with Wallace Engineering since 2003 and has worked on a variety of projects including retail, commercial, and industrial buildings. In addition to new construction, Darcey has also been involved in numerous historic renovation/restoration projects. Ms. Rapp received her Bachelor of Science in Civil Engineering degree from the University of Missouri-Rolla in 2002 and her Master of Civil Engineering degree from the University of Kansas in 2009. She is a LEED Accredited Professional and an active member of American Institute of Architects, AIA-Women in Design KC where she serves as Mentorship Chair, AIA-Pillars Leadership Program, Design-Build Institute of America where she serves on the Steering and Programs Committees, Structural Engineers Association of Kansas & Missouri, and the National Council of Examiners for Engineering & Surveying,
